Times are a changin' ... so is your Rotary bill.

Starting with the bill you receive in October there will be an increase that reflects the current cost of lunch. The increase happened some time ago and we are just now catching up. The increase is from \$91 to \$104 for lunches and that brings your quarterly total to \$161.00. See Lorene if you have questions.

We will continue to meet at Partners until further notice.
