TO DO LIST

GROUP STUDY EXCHANGE

Group Study Exchange is a unique opportunity for young professionals to experience ways of life in another country with an emphasis on observing their own vocations as practiced in the hosting country. The team is from District 1950, which consists of clubs located in the regions of Bavaria and Thuringia, which is a blending of the former West and East Germanys. Five individuals will visit our district between April 15th and May 15th. Their names and occupations are:

Katja Naumann (architect)
Christine Eichler (industrial businesswoman)
Martin Bühler (media creator)
Olivier Semar (engineer)
Michael Trierweiler (pharmacist).

Our club will serve as host April 15th through April 19th and local Rotarians are encouraged to share their homes and time with our guests. Of special interest will be introducing individuals in our communities who share the same occupations as our German guests. Please start thinking of activities, of being a host family and of the individuals of the same profession as our guests, who might be willing to share their time. The Group Study Exchange is a rewarding experience for both guests and hosts.

Thanks,
Sam Styron
