Meet Kelly Harris

By Phil Klinkhardt

We'll learn more about Kelly at her classification presentation on June 7, but in the meantime, she needs little introduction having grown up here in Harrisonville. Her first impressions of our group are as friends of her family. An avid athlete, she graduated from MU (go Tigers!); skipped across the border to Kansas, captured a Jay Hawk she calls Jay (he works for RayPec School District) and returned to her home town seven years ago. She left coaching (volleyball is her favorite sport) for school administration. She is now the Principal at Harrisonville High School with four degrees.

Loving children, she and Jay have four children (Kaylee - 14, Brett - 11, Jared - 8, and Taylor - 3). She loves their weekends at the Lake of the Ozarks with all of her family. She finishes her doctorate this year and that leaves her with more time to give back to our community. Rotary being one of the best tools for that giving, she looks forward to joining Jill in keeping the doors to our school district open to our Club. She sees her joining our club as the natural transition in her life. With her love to be out and about, she is a natural to help with our park improvement projects and flag day activities.

Mark your calendars!

Tentative date for the yearly installation event is Thursday, June 29, 2006.

Location and time to be announced.
