Dear Bill:

We are already working in two schools in the Santo Domingo area. Attached are the pictures of the Luis Tarquino Paez school, with 48 kids attending. As you can see the building is 70% ready, and we are expecting to make the opening ceremony next Monday. I'll send you the pictures.

We estimate that the 7 schools will be ready until October, hoping you or your RC partners can visit us, as you told me in the last e-mail. We will be happy to have you in our city. A local tourism operator, friend of us, can offer you or your group, tours to the galapagos Islands or other national attractions if you would like.

Yours in Rotary
 Luis Velasco
