Harrisonville Invades Europe

Well... at least two residents do.

Our very own Jim and Brenda Clayton provide us with indisputable proof that Rotary is indeed international!

"This is a Rotary marker from the most western point in continental Europe."

"This is a photo from Lisbon."

Editor's Note:

The most western point is Cabo da Roca which is just outside Lisbon, Portugal.

Rotary International theme for August is Membership

Membership is not only bringing in new members, it's keeping the ones we have. If you have not made the effort to get to know our new members, this is a good time to make that effort. If you haven't seen someone at a meeting for awhile, give them a call. Let them know they are missed.

"If you care at all, you'll get some results. If you care enough, you'll get incredible results."

-Jim Rohn

New Members Ice Cream Social

New members and their sponsors will review the ABC's of Rotary on August 16 at 6:30 p.m at John and Wanda Foster's home. While education is our goal, the pleasure of licking up bowls of Wanda's famous homemade ice cream is a real bonus. All members are invited to this special event for those new members that have joined in the past year and recognition for their sponsors. The gathering will be held at John & Wanda's house at 2619 Duncan Circle, Harrisonville. Please RSVP to help Wanda gauge how much ice cream John will have to crank for us. -Phil Klinkhardt
