The date is 1955 and Rotary is 50 years young. Take a minute from your busy schedule and eavesdrop on conversations about the state of the world and the state of Rotary in that magical year. These are episodes produced by Rotary International for it's 50th Anniversary. There are currently 3 "old time" radio shows available. About a dozen will be released at a rate of one a week. A link to the web page is below the radio.
