Old Business

Jill is still investigating the possibilities of an Interact Club.

John Foster provided some ideas for the GSE team visit. The team arrives on Wednesday, April 8. The Board has tentatively scheduled a special meeting for the team to present its program on Thursday, April 9th beginning at 6 p.m. Invitations will be extended to the Bel-Ray and Butler clubs, as well as the District Governor and District GSE Committee. Possible tours for the team during their stay include the new Cass Regional Medical Center, the Justice Center, Church & Dwight, Wal-Mart Distribution Center, the schools, Kurzweils/Neco Seed, and Branaman Cabinets. Host families have been secured – thank you Bill Mills, Daryl Bohannon, Nancy Shelton, and John Foster. Club members will be asked to help with transportation and tours.

A fireside chat is being planned for March at Carol Looney's house.

New Business

Tom Coker is the club's Kansas City Day chair. He presented information on the event which is April 10. He will explain bundle sales at the next regular meeting – bundles can be purchased for \$25 and will be delivered by the Star on the morning of the 10th to the business. Pre-orders are due by March 26. Tom will talk to the city about sales locations; he will also pursue sales locations on private property including Wal-Mart, McDonald's, Sonic, and Price Chopper.

Tom Coker is also looking into a possible golf tournament fundraiser at the sand greens. He will bring more information to the Board in April.

The district is using a new on-line database that will be accessible to all members. Jill will provide information to the club on this new database. She will send an e-mail asking all members to access the database and update their information.

The Board will meet after the next regular meeting to discuss and vote on the future vision plan, members with past due bills, and to approve a leave of absence request received from Cindy Greenwell.
