## EARTH DAY Is April 22, 2009

Rotary International is taking advantage of the carbon offset movement already swelling around the world and has started a new trust. When you donate to this trust the money is earmarked for sustainability projects around the globe. When you visit the web site you can calculate offsets for various scenarios and donate accordingly. While you are exploring the site be sure to follow the links to the information on the PlayPumps systems now being used for water. [www.playpumps.org](http://www.playpumps.org)
