4 WAY TEST

Is it the truth?
 Is it fair to all concerned?
 Will it build goodwill and better friendships?
 Will it be beneficial to all concerned?

I recently found myself without a 4 Way Test card to give someone who was asking me about Rotary. This is a major problem for me because I've found that most folks are pretty impressed with these 4 questions and it also gives me something about Rotary that I can leave with them. I printed some cards so if you'd like some just ask.

Rotary and Google have teamed up and have the complete collection of The Rotarian magazine online now. The issues start with 1920 and go up to current. To make things simple I have set up a link from the newsletter page of our web site.
